REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors
Lockton, Inc.
Kansas City, Missouri

Opinion on the Financial Statements

We have audited the accompanying balance sheet of Lockton Financial Advisors, LLC (a Missouri limited liability company, the "Company") as of April 30, 2019, the related statements of operations, changes in members' equity, and cash flows for the year then ended, and the related notes and schedules (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of Lockton Financial Advisors, LLC as of April 30, 2019, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of Lockton Financial Advisors, LLC's management. Our responsibility is to express an opinion on Lockton Financial Advisors, LLC's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Lockton Financial Advisors, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The supplemental information included at pages 11 - 13 has been subjected to audit procedures performed in conjunction with the audit of Lockton Financial Advisors, LLC's financial statements. The supplemental information is the responsibility of Lockton Financial Advisors, LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as Lockton Financial Advisors, LLC's auditor since 2017.

LOCKTON FINANCIAL ADVISORS, LLC

Notes to Financial Statements

April 30, 2019

(1) Nature of Operations

Lockton Financial Advisors, LLC (the Company), a subsidiary of Lockton Insurance Agency, LLC (Lockton), is organized in the state of Missouri. The Company is a limited liability company approved to conduct business as a registered broker-dealer in securities under the Securities Exchange Act of 1934. The Company is a k(1) exemptive status stand-alone broker-dealer, operating as a limited broker-dealer on its own behalf and is enabled to conduct securities activities, which may include the sale of variable contracts and mutual funds through employee benefit plans. The Company does not maintain custody or receive customer funds or securities; customer accounts are held by plan vendors. Furthermore, the Company does not maintain a clearing arrangement with any firm and handles individual accounts on an application-way basis direct with the fund company or carrier. The Company is registered with the Municipal Securities Rulemaking Board (MSRB). This membership allows the Company to participate in a limited capacity only dealing in qualified college savings plans. In addition, the Company is a member of the Financial Industry Regulatory Authority (FINRA), and the Securities Investor Protection Corporation (SIPC) and is subject to the rules and regulations of each agency.

The Company is a subsidiary of Lockton, with Lockton (Corporate Member) owning the Corporate Unit. The associates who have the primary responsibility for establishing new client relationships (Producer Members) own the Producer Units. The Producer Members derive their compensation from the profits of the Company after providing a predetermined allocation of profits to Lockton as the holder of the Corporate Unit. While the legal form of payments to Producer Members is a capital distribution, the Company reflects such payments in the statement of operations as selling expenses. Profits of the Company used to determine Producer Member compensation (Producer Profit Return) generally represent revenue less selling and general and administrative expense.

(2) Summary of Significant Accounting Policies

(a) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

(b) Revenue Recognition

The Company's revenue comprises principally of commissions paid by the plan vendors and fees paid directly by clients for consulting services related to qualified retirement plans and non-qualified executive benefit programs. Commission revenue from plan vendors generally represents a percentage of the fair value of the plan assets held on account by the customer and is materially affected by fluctuations in the fair value of the assets in the plan. Commissions received directly from the plan vendor are recognized when fees are earned and realized or realizable. A cancellation reserve is recognized for commissions that are subject to chargeback and is estimated based on historical chargeback rates. This reserve is recorded in commissions and fees revenue on the statement of operations.

LOCKTON FINANCIAL ADVISORS, LLC

Notes to Financial Statements

April 30, 2019

Contingent commissions may be paid to the Company by insurance carriers based on retention of clients and the volume of business placed with or through such insurance carriers related to nonsecurities-based insurance products. Contingent commissions are recognized when earned and realized or realizable. In 2019, contingent commissions represented less than 1% of total revenue.

Fees paid directly by clients and interest income are recognized as earned and realized or realizable.

The Company adopted Accounting Standards Update (ASU) 2014-09, *Revenue from contracts with customers (Topic 606)*, as of May 1, 2018. The core principle of the ASU is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The adoption of the ASU did not result in any significant changes from the Company's previous revenue recognition practices or to the timing of recognition of expenses for sales commissions that are considered incremental costs of obtaining contracts.

(c) Cash and Cash Equivalents

The Company considers all liquid investments with original maturities of three months or less to be cash equivalents. At April 30, 2019, cash and cash equivalents consisted of a commercial checking account and a money market mutual fund.

(d) Producer Members Receivable and Payable

Producer Members receive advances throughout the year based upon estimated annual Producer Profit Return as defined in the Company's operating agreement. At the end of each fiscal year, each Producer Member's Producer Profit Return is adjusted to the actual amount earned based on the economic performance of the Company. This adjustment results in some Producer Members having a debit balance in their capital account as a result of an over distribution and other Producer Members having a credit balance in their capital account resulting from the actual Producer Profit Return exceeding distributions made throughout the year. These amounts due from/to Producer Members are reflected as Producer Members receivable or payable, respectively, in the balance sheet.

(e) Income Taxes

The Company is considered a "pass-through" entity under the Internal Revenue Code and, therefore, does not pay federal corporate income taxes on its taxable income. Instead, income is reported on its members' federal income tax return. Accordingly, no income taxes have been recorded in the financial statements for the year ended April 30, 2019.

(f) Fair Value of Financial Instruments

Under existing authoritative accounting guidance, fair value is defined as the price that the Company would receive upon selling an investment or pay to transfer a liability in an orderly transaction to a market participant in the principal or most advantageous market for the investment. At April 30, 2019, the carrying amounts of financial assets and liabilities reported in the accompanying balance sheet for cash and cash equivalents approximate fair value because of the short-term nature of these financial instruments.

LOCKTON FINANCIAL ADVISORS, LLC

Notes to Financial Statements

April 30, 2019

Authoritative accounting guidance emphasizes that valuation techniques maximize the use of observable market inputs and minimize the use of unobservable inputs. Inputs refer broadly to the assumptions that market participants would use in pricing an asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing an asset or liability developed based on market data obtained from sources independent of the Company. Unobservable inputs are inputs that reflect the assumptions market participants would use in pricing an asset or liability developed based on the best information available in the circumstances. The Company classifies the inputs used to measure these fair values into the following hierarchy as defined by current authoritative accounting guidance:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs are inputs that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

(3) Producer Unit Purchases

In exchange for certain restrictive covenants and other considerations from Producer Members, the Company has the option to purchase each Producer Member's Producer Unit upon his/her termination.

The agreement to purchase the Producer Members' interest is applicable to all Producer Members and valued based on 25% of the Producer Members' average annual revenue for the preceding three fiscal years and change in value of the Company for the final six months of membership.

The purchase is subject to put and call features and is only mandatory upon the death or permanent and total disability of a Producer Member. The Producer Unit meets the attributes for equity classification and, accordingly, is reported as a noncontrolling interest and displayed as a separate component of equity in the statement of changes in members' equity with the related expense recognized in the statement of operations.

Once exercised, the purchase obligation is no longer subject to the attributes of equity ownership and, thus, is reclassified from a component of equity to a liability. For the five-year period that payment of the obligation is being made, the Company and the Producer Members have agreed that such payments will be funded through a charge of 50% of the purchase obligation to the profits attributable to the Producer Members. However, as future profits of the Company are not guaranteed, U.S. generally accepted accounting principles do not allow for the establishment of a receivable from the future profits attributable to Producer Members. Consequently, despite its belief that only 50% of the cost of purchasing Producer Members' interest will be funded from profits attributed to the Corporate Unit, the Company has provided a noncontrolling interest and related expense as if it will solely fund the Producer Unit purchase.

LOCKTON FINANCIAL ADVISORS, LLC

Notes to Financial Statements

April 30, 2019

Producer Unit activity within noncontrolling interest during the year ended April 30, 2019 is as follows:

Balance, April 30, 2018	\$ 1,919,664
Producer Unit purchases	(299,047)
Producer Unit expense	<u>(77,651)</u>
Balance, April 30, 2019	\$ <u>1,542,966</u>

The liability for Producer Unit purchases had the following activity during the year ended April 30, 2019:

Balance, April 30, 2018	\$ 13,178
Producer Unit purchases	299,047
Payments	<u>(109,437)</u>
Balance, April 30, 2019	\$ <u>202,788</u>

Because the Company intends for this purchase to be an end-of-career transaction between the Company and the Producer Member, it does not anticipate significant cash requirements in the near term. Committed future payments at April 30, 2019 resulting from terminations and retirements are as follows:

Year ending April 30:	
2020	53,982
2021	40,188
2022	36,206
2023	36,206
2024	<u>36,206</u>
Total	\$ <u>202,788</u>

LOCKTON FINANCIAL ADVISORS, LLC

Notes to Financial Statements

April 30, 2019

(4) Transactions with Affiliates

The Company and its Producer Members receive services from affiliated entities. These services include, but are not limited to, general executive management, general legal counsel, treasury, tax, financial accounting, advertising, information technology services, subscriptions, insurance, professional services, bank fees, office accommodations, clerical services, customer account service support, and various other support functions. Fees paid for these services were \$4,620,843 for the year ended April 30, 2019. These charges are an allocation of costs incurred by the affiliated entities and are accounted for in accordance with agreements among these parties.

At April 30, 2019, the Company had a net payable to affiliates of \$356,904 for payments made in the ordinary course of business on behalf of the Company by its affiliates.

These transactions with affiliates are accounted for in accordance with agreements among these parties. There can be no assurance that such transactions would have occurred under the same terms and conditions with an unrelated party.

(5) Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), and treated as a registered broker-dealer, which requires the maintenance of minimum net capital defined as the greater of \$25,000 or a ratio of aggregate indebtedness to net capital. As of April 30, 2019, the Company had net regulatory capital of \$1,917,945, which is \$1,825,782 in excess of required net capital.

(6) Subsequent Events

The Company has evaluated subsequent events from the balance sheet date through June 20, 2019, the date at which the financial statements were available to be issued, and determined there are no other items to disclose.

(7) Recently Issued Accounting Pronouncements

In February 2016, the FASB issued new guidance that requires a lessee to recognize the lease assets and lease liabilities arising from operating leases with lease terms exceeding 12 months in the balance sheet. The new guidance is effective for fiscal years beginning after December 15, 2019. Early adoption is permitted. The Company expects this standard will not have a material impact on the financial statements for the fiscal year ending April 30, 2020.

INDEPENDENT ACCOUNTANT'S REVIEW REPORT
ON MANAGEMENT'S ASSERTION PURSUANT TO
EXEMPTION FROM 17 C.F.R. §240.15c3-3 (K)

APRIL 30, 2019

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors
Lockton, Inc.
Kansas City, Missouri

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Lockton Financial Advisors, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Lockton Financial Advisors, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(1) (the "exemption provision") and (2) Lockton Financial Advisors, LLC stated that Lockton Financial Advisors, LLC met the identified exemption provisions for the year ended April 30, 2019, without exception. Lockton Financial Advisors, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Lockton Financial Advisors, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
